

The Great Dane Club of Michigan

Judge Leon Reimert

The show was held in Corunna, Michigan on Friday May 17, 2013. It was perfect weather for a dog show. The grounds were beautiful with a spacious ring for judging.

The entry was 17 dogs, 27 bitches, 16 specials, 1 veteran and 1 brood bitch. There were two specialties that day and I judged the morning show.

My Winners Dog and Best of Winners was from the Open Black class. He was very elegant with a beautiful head and neck. He was only 15 months old and finished at this show.

My Reserve Winners Dog was a harlequin from the 6 to 9 Puppy class. This puppy had lots of substance, moved very well and was a great showman.

My Winners Bitch was from the Open Blue class. She was sound, balanced and moved very well.

My Reserve Winners Bitch was a harlequin from the American Bred class. She had good breed type with a beautiful head and expression.

The Winners Bitch class was made up of several outstanding bitches, making the class very competitive.

My Best in Specialty Winner was a outstanding fawn bitch. She was balanced, moved very well and had great ring presence.

My Best of Opposite Sex winner was a mantle dog. He was masculine with good front and rear angulation adding to his eye catching profile.

My Select Dog was a fawn and showed very well. He had a solid topline and moved well going around the ring.

My Select Bitch was an outstanding black with an arched neck flowing nicely into her shoulders. She had good substance with a solid topline.

I'd like to thank the GDCM for inviting me to judge their specialty and their great hospitality. I thoroughly enjoyed the day of judging.
