Owner Handler

Karen Pacino

No Bonz's Great Danes

1) How did you get started?

I got started with my first show dog but not my first dane, "BISS Ch Maitau's No Bones About It "Paesan"

whom when I purchased did not intend to show. We all know how that goes. Thank you Pat for your encouragement! Pie was my teacher and the most patient dog I have ever known. He truly was the one that gave me the confidence in the ring and believe me, there was a lot of "trial & error"

2) What has been your most valuable lesson?

For me it was determination. I knew I had a "something special" of a dog and wanted to prove that it was not about the handler but my dog and we did it! 2 years in a row achieving the Top 20 in 2008 & 2009

3) What tip could you pass on to others starting out wanting to owner handle?

Learn to stack properly and present your dog to the fullest. Watch the pro-handlers with their techniques and combine it all to make it your own. You can do it!
